I am filled with an overwhelming sense of happiness and gratitude as I embark on this incredible journey as the new Artistic Director of Alberta Ballet.

As I take on this role, I am reminded of the power of dreams and their ability to pave the way for a tangible future. Dreams have the remarkable ability to inspire creativity and push boundaries. Dreams are the foundation upon which great achievements are built, and I am committed to fostering an environment where dreams can flourish.

In our quest to create a relevant and vibrant future for ballet, it is essential that we embrace the past. This art form has a rich history, and it is through honouring and understanding our heritage that we can build upon it and propel it forward. By blending tradition with innovation, we can ensure ballet remains a relevant and captivating art form in today's ever-evolving world. It is my belief that by embracing the past, we can create a future that is both meaningful and impactful.

It is truly an honour to be entrusted with such a prestigious position in the world of ballet. I am humbled by the opportunity to lead and shape the future of this remarkable organization.

One of my key priorities as the Artistic Director of Alberta Ballet is to empower our talented dancers to create unique compelling experiences for our audiences. I am committed to providing them with the support, resources, and creative freedom they need to push boundaries and bring their artistic visions to life. Together, we will strive to create performances that not only entertain but also evoke emotions, challenge perspectives, and leave a lasting impact on our audiences.

Thank you for your warm welcome and support. I am excited to embark on this new era with all of you. Together, we will elevate the art of ballet, nurture and showcase the immense talent within our company, and bring the joy and beauty of this art form to the hearts of our community.

It is my sincere hope that you will join us on this remarkable journey as we create unforgettable moments on stage and inspire the next generation of ballet enthusiasts.

LA SYLPHIDE

An Alberta Premiere

Love flutters on delicate wings in this Scottish tale

Alberta Ballet opens the season with a dramatic first for the company: a debut of *La Sylphide* in full-length.

The story follows the passionate highs and lows of a Scottish farmer who becomes enchanted with a beautiful spirit. Drawn into an ethereal supernatural world, he finds himself torn between loyalty to his fiancée and the allure of the other-worldly.

The exquisite handmade costumes will be incorporated into Alberta Ballet's production assets and the new sets will be designed by Alberta Ballet Executive Producer Malgorzata Szablowska and constructed by Alberta Ballet crew.

The timeless themes of love, longing, and the human desire for the unattainable continue to captivate audiences, and Alberta Ballet's interpretation promises to celebrate the company's exceptional talent.

This quintessential white tutu romantic ballet will dance its way into your heart.

GRIMM

A World Premiere

Descend into the shadowy depths of folklore-turned-fairy-tale

The fairy tales from the Brothers Grimm have been children's classics for generations, but these classics, collected from oral folklore traditions, have origins in a darker realm.

Alberta Ballet has commissioned a world premiere from rising choreographic star Stefania Ballone of Milan's Teatro alla Scala. With an extensive background working in contemporary and classical ballet, Stefania will harness the expressive power of dance and delve into the unsettling undercurrents of the Brothers Grimm's stories.

This world premiere also includes a new score from Taketo Gohara, composed exclusively for Alberta Ballet.

Grimm intensifies the dark side of our childhood favourites. These adult interpretations come to the Jubilee stage just in time to set the mood with thrills and chills ahead of Halloween.

Mature content. Age recommendations to be announced closer to the performance.

DANCE THEATRE *of* HARLEM

A transformative vision of 21st-century ballet

Alberta Ballet is thrilled to host the Dance Theatre of Harlem, a multi-ethnic ensemble that paves the way for an inclusive future in embracing the belief of its founder: “ballet belongs to everyone.”

The internationally regarded dance sensation brings a mixed program that will showcase talent and versatility against a backdrop of eclectic score.

The programme opens with *Nyman String Quartet No. 2*.

Take Me With You highlights the emotional depth and intensity of contemporary ballet in a pas de deux against the restless beat of Radiohead.

The enduring masterpiece from George Balanchine’s *Pas de Dix* will exalt the beauty, precision and grace of Balanchine’s choreography.

The programme culminates with *Return*, an ingenious fusion of classical ballet and the raw energy of street dance. Set to the iconic tunes of James Brown and Aretha Franklin, this work celebrates a “witty fusion of ballet techniques and street gait” (New York Times).

Dance Theatre of Harlem’s audacious vision for ballet is sheer brilliance! It’s a programme that’s not to be missed!
